Designed By: Monika A Davis

June 2017

Our card challenges are here to be a source of inspiration, helping you create pretty cards easily! You're encouraged to let the creative spark take you wherever it goes: rotate the layout, change up the sizes, use different shapes or duplicate the sketch exactly.

To help you get started we've created this Mini Tutorial with measurement and cutting information as well as a recipe for our inspiration card. This is just a tiny glimpse of what you can expect from the monthly Craft Project Central Tutorials! We're looking forward to seeing what this sketch inspires you to create!

## Instructions

### Step 1

Cut a 2" x 2-<sup>3</sup>/<sub>4</sub>" piece of Watercolor Paper and stamp the *truck* image from the Guy Greetings Stamp Set with Tuxedo Black Memento Ink. Cut a 2" x 2" piece of Watercolor Paper and stamp the *tools* image from the Guy Greetings Stamp Set with Tuxedo Black Memento Ink. Smear Real Red, Daffodil Delight and Tuxedo Black Memento Ink on a clear block and using an Aqua Painter, color the images (Step 1a). Cut the tools out with your Paper Snips (Step 1b). Cut a 2-<sup>1</sup>/<sub>2</sub>" x 1/4" strip of Whisper White Cardstock. Stamp the *to a classic* image from the Guy Greetings Stamp Set with Tuxedo Black Memento Ink.

Step 1b

### Step 2

Cut a 5-<sup>3</sup>/<sub>8</sub>" x 4-<sup>1</sup>/<sub>8</sub>" piece of Watercolor Paper. Sponge the cardstock with Pacific Point Ink using a Stamping Sponge. **Note:** I cut my Stamping Sponge into 4-6 pieces and staple card stock onto it to hold onto, keeping the ink off of my fingers. Using a spray bottle, spritz water over the cardstock to get a water colored look. Let the paper air dry, or speed up the drying time using your Heat Tool.

Step 2

### Step 3

Stamp the background with the *father* image repeatedly from the Guy Greetings Stamp Set with Pacific Point Ink. Stamp a number of images without reinking the image to get a faded look.

Step 3

#### Step 4

Cut two 3-1/2" x 1/2", two 3-1/2" x 3/8", and one 3-1/2" x 2/8" strips of Pacific Point Cardstock. Adhere the strips to the background with SNAIL Adhesive (Step 4a). Cut a 1-3/4" x 3" piece of Basic Black Cardstock. Tear off the top and bottom edges and adhere the panel to the background with Mini Glue Dots (Step 4b). Cut a 30" long White Thread piece and lay it on top of the black panel in a random (messy) way (Step 4c).
