

Creating Pretty Cards – Sketch Challenge #76

Designed By: Regina Andari

October 2017

Our card challenges are here to be a source of inspiration, helping you create pretty cards easily! You're encouraged to let the creative spark take you wherever it goes: rotate the layout, change up the sizes, use different shapes or duplicate the sketch exactly.

To help you get started we've created this Mini Tutorial with measurement and cutting information as well as a recipe for our inspiration card. This is just a tiny glimpse of what you can expect from the monthly Craft Project Central Tutorials! We're looking forward to seeing what this sketch inspires you to create!

This month's sketch challenge is more than a sketch—it's a fun Gate Fold card!!!

Instructions

Step 1

Place the 5-1/2" x 8-1/2" Crumb Cake Cardstock on the Simply Scored Scoring Tool with the 8-1/2" edge along the top, and score at 2-1/8" from each end.

Step 1

Step 2

Fold on the scored lines, and crease them with the Bone Folder.

Step 2

Step 3

Use the Crumb Cake Classic Stampin' Pad to ink the *solid leaf* image from Oh So Eclectic Stamp Set. Stamp the *solid leaf* image randomly on the 2-1/8" flaps. Ink the *cross background* image, and stamp it in the blank spaces on one of the 2-1/8" flaps.

Step 3

Step 4

Use the Island Indigo Classic Stampin' Pad to ink the *large solid flower*, and stamp the image three times on scrap Very Vanilla Cardstock. Use the coordinating flower die from Eclectic Layers Thinlits to cut the stamped flowers. Use the flower detail die to cut three shapes from scrap Island Indigo Cardstock, and die-cut three leafy stem shapes from scrap Always Artichoke Cardstock.

Step 4

Step 5

Adhere the die-cut flower detail shapes to the top of the stamped and die-cut flowers. Adhere the die-cut leafy stems to the 3" x 4" Very Vanilla Cardstock. Adhere two of the die-cut flowers to the cardstock, and use a Stampin' Dimensional to adhere the remaining die-cut flower between them. Adhere this layer to the 3-1/4" x 4-1/4" Island Indigo Cardstock, and then adhere it approximately 1/4" from the bottom on the left 2-1/8" flap. Don't put any adhesive on the portion of the cardstock that rests in front of the other 2-1/8" flap.

Step 5a

Step 5b

Step 6

Use the Always Artichoke Classic Stampin' Pad to ink the *leafy stem* image, and stamp it several times along the bottom of the 4" x 5-1/4" Very Vanilla Cardstock. Use the Island Indigo Classic Stampin' Pad to ink the

large flower, and stamp the image once. Use the Crumb Cake Classic Stampin' Pad to ink the *tiny dots* image, and stamp it in the center of the flower. Adhere the cardstock to the inside center of the card.

Step 6

Step 7

Use the Island Indigo Classic Stampin' Pad to ink *Oh, hello friend*, and stamp the sentiment onto a scrap piece of Crumb Cake Cardstock. Punch the sentiment with the 1" Circle Punch. Use the 1-1/4" Circle Punch to punch a circle from a scrap piece of Island Indigo Cardstock. Adhere the two punched circles together, and then adhere the sentiment to the 2-1/8" right flap with a Stampin' Dimensional. Make sure the Stampin' Dimensional is placed only at the top so the flower layer will be able to move in and out beneath it to open and close the card.
