November 2017

Our card challenges are here to be a source of inspiration, helping you create pretty cards easily! You're encouraged to let the creative spark take you wherever it goes: rotate the layout, change up the sizes, use different shapes or duplicate the sketch exactly.

To help you get started we've created this Mini Tutorial with measurement and cutting information as well as a recipe for our inspiration card. This is just a tiny glimpse of what you can expect from the monthly Craft Project Central Tutorials! We're looking forward to seeing what this sketch inspires you to create!

Adhere the 3-3/4" x 5" layer to the 4" x 5-1/4" Color Theory DSP using Fast Fuse Adhesive. Using the Stampin' Trimmer, score and fold the 5-1/2" x 11" Thick Whisper White Cardstock to form a 4-1/4" x 5-1/2" card. Adhere DSP layers to card front using Fast Fuse Adhesive (3b).

#### Step 4

Stamp *I think it more often than I say it...* sentiment from the Flourishing Phrases Stamp Set on the 1-1/2" x 2-1/2" Whisper White Cardstock using a Night of Navy Classic Stampin' Pad. Round the corners using the corner rounder on the Envelope Punch Board. Adhere to the 1-3/4" x 2-3/4" Night of Navy Cardstock using Fast Fuse Adhesive. Wind the 15" Gold Mini Sequin Trim into a loose loop and adhere behind the sentiment layers using Stampin' Dimensionals. Adhere sentiment layer to card front.

Step 4

#### Step 5

Rub the 1/2" x 2" Gold Foil Sheet with the Embossing Buddy. Stamp *I love you* from the Flourishing Phrases Stamp Set in VersaMark. Heat emboss with Gold Stampin' Emboss Powder and the Heat Tool. Notch left side with Paper Snips by cutting in 1/4" from the left edge of the foil toward the center. Then snip from each edge to the top of the 1/4" cut. Layer Gold Foil Sheet banner to card with Mini Stampin' Dimensionals.
