

## Creating Pretty Cards – Sketch Challenge #78

Designed By: Monika A Davis

December 2017

Our card challenges are here to be a source of inspiration, helping you create pretty cards easily! You're encouraged to let the creative spark take you wherever it goes: rotate the layout, change up the sizes, use different shapes or duplicate the sketch exactly.

To help you get started we've created this Mini Tutorial with measurement and cutting information as well as a recipe for our inspiration card. This is just a tiny glimpse of what you can expect from the monthly Craft Project Central Tutorials! We're looking forward to seeing what this sketch inspires you to create!

Cut a 4- $\frac{1}{4}$ " x 11" piece of Whisper White Cardstock and fold it in half. Adhere the blue panel to the card base with SNAIL Adhesive.
