Designed By: Jacque Craig

December 2010

Here's an easy little project that will help you keep organized during the busy holidays! Make this little book with tabs for keeping track of your gift giving and receiving, card sending and receiving, and your favorite holiday recipes!!

### Instructions

#### Step 1

Take a 6" x 7" piece of Jolly Holiday Designer Series Paper (DSP) and using SNAIL adhesive, adhere it to the top front cover of a composition book. Line up the DSP in the top corner of the front of the book to make it easier to get the DSP on straight.

Step 1

### Step 2

Take a 3-3/4" x 7" piece of Jolly Holiday DSP (different design), and adhere it to the bottom front of the cover. Again, line up in the corner to get the DSP on straight.

Step 2

### Step 3

Finally, adhere the 1/2" x 7" piece of Old Olive card stock over the seam between the two pieces of DSP. Repeat on the back cover of the composition book, but this time reverse the order of the DSP. Put the smaller piece on the top back and the larger piece on the bottom back of the cover. Then adhere the 1/2" x 7" piece of Old Olive card stock over the back seam.

Step 3

#### Step 4

Using SNAIL adhesive, adhere the 2" x 9-3/4" piece of Old Olive Brights Patterns DSP to the book spine. Line up the DSP on the front cover and use your grid paper to help make sure that you are lining up the DSP in a straight line. Smooth down on the front and then pick the book up and smooth the rest of the DSP over to the back of the book.

Step 4

**Step 5**

Using Paper Snips, trim off the DSP around the four corners of the book, front and back covers.

Step 5

**Step 6**

Using the Contempo Christmas stamp set, Cherry Cobbler and Old Olive Stampin' Write Markers, stamp the images shown on a 2-1/2" x 3-1/2" piece of Very Vanilla card stock. Stamp the tree and pot again on a scrap piece of Very Vanilla card stock. Using Paper Snips, cut out the pot and tree (less the swirly side pieces), and adhere them over the first stamped images using Stampin' Dimensionals to provide some dimension. Adhere the Very Vanilla piece to a 2-3/4" x 3-3/4" piece of Old Olive card stock and then to a 3-1/8" x 4-1/8" piece of Cherry Cobbler card stock. Adhere a 3mm Basic Rhinestone Jewel to the star on top of the tree. Adhere to front of book using Stampin' Dimensionals.

Step 6

**Step 7**

Print out the tab template on an 8-1/2" x 11" sheet of Very Vanilla card stock. Using the Round Tab Extra-Large punch, punch out each piece as shown. Fold punched out pieces in half and using SNAIL adhesive adhere to pages in the book (page will be adhered between the folded halves of the tab), dividing the book into three sections.

Step 7

**Step 8**

Tie a 26" length of Cherry Cobbler 1/2" Seam Binding ribbon around the front cover of the book and tie in a square knot as shown. Use Mini Glue Dots under the square knot and at various other spots to hold the ribbon in place.
