

LUCKY Banner & Pot O' Gold

Designed By: Julie Beltramo

March 2012

Spread a little St. Patrick's Day cheer with this project! You can dress up your fireplace mantle or any shelf or wall in your home, with this "Lucky" St. Patrick's Day banner. Then make the cute little "Pot O' Gold" to add as an accent to your Green Day display! And, of course, some gold-wrapped Rolos make the perfect little treat to put in your pot.

Instructions

Step 1

Use the Hearts Collection Framelits and the Big Shot to die cut five #4 size hearts and ten #3 size hearts from 5-1/2" x 6" Garden Green card stock pieces. (Sizes are based on smallest #1 to the largest #6, of the six dies in the set.) Lay the hearts out on your 5-1/2" x 6" piece of Garden Green card stock as shown in the picture.

Step 1

Step 2

Use the remaining pieces from the heart cut outs to make the shamrock stem pieces. Cut in between the parts. You will have plenty of scraps to make five stems.

Step 2a

Step 2b

Step 3

Using a 2" x 11" piece of Garden Green card stock, punch out five 1-3/4" circles to use as a base for gluing all your shamrock parts to. Lay out the heart pieces, the circle pieces and the stem pieces to make five shamrocks. Then use Multipurpose Liquid Glue on the 1-3/4" circles to adhere the parts.

Step 3a

Step 3b

Step 4

To make the medallion centers, die cut five lacey scalloped circles from the Perfect Pennants die with 3" x 3" Whisper White card stock pieces; die cut five 2" circles from the Circles #2 die with 2-1/4" x 2-1/4" Silver Glimmer paper pieces; use the 1-3/4" Circle punch with the 2" x 11" Basic Black card stock piece to make five circles; and die cut the letters L, U, C, K, and Y from the Timeless Type Junior Alphabet dies with the five 1-1/4" x 1-1/4" Silver Glimmer paper pieces. Layer those pieces together using glue on the letters, but Stampin' Dimensionals on the rest. Adhere each of them to a shamrock.

Step 4

Step 5

Tie the five 8" pieces of Basic Black 1/8" taffeta ribbon into separate little bows. Use Mini Glue Dots to stick each of them onto five Mini Clothespins. Clip one onto the top of each shamrock. Then use those to attach each shamrock to the 48" long Basic Black 5/8" satin ribbon.

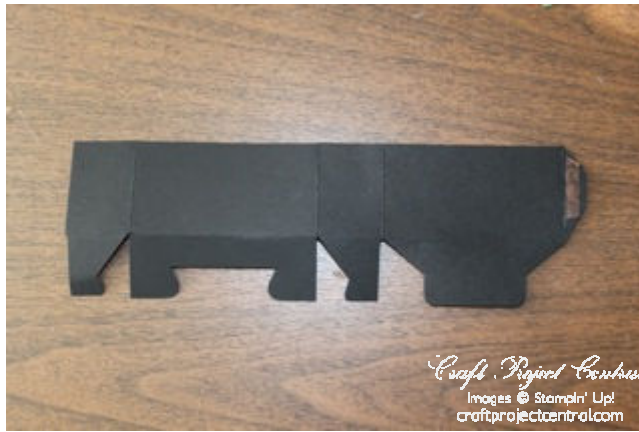

Step 5a

Step 5b

Step 6

To create the pot of gold, start by die cutting a Box #2 from the 4" x 12" Basic Black card stock piece with your Big Shot. You will cut off any of the top flaps of the box that are die cut. Use Sticky Strip on the last tab on the end to adhere the box.

Step 6

Step 7

Use your Big Shot and the #5 size label from the Labels Collection Framelits, along with the two 4-1/4" x 5-1/2" pieces of Basic Black card stock to die cut two label pieces. Use your Paper Cutter to cut off the section above the rounded edges on both labels. Then use the Scoring Blade on your Paper Cutter to score just above the rounded edges on the bottom part of both labels.

Step 7

Step 8

Fold on the score lines of both label pieces. Then use Multipurpose Liquid Glue to adhere the front and back pot pieces to the box #2.

Step 8

Step 9

Use the 3/8" x 11" piece of Basic Black card stock piece to make the pot handle. Use the 1/16" punch to make holes in the handle ends and the side of the box. Use two Basic Black brads to attach them.

Step 9

Step 10

With Jet Black StazOn ink, stamp the *happy st. patrick's day* saying from the Teeny Tiny Wishes stamp set, towards the bottom of the 2-1/4" x 2-1/4" piece of Whisper White card stock. Then punch it out with the 1-3/4" Circle punch, keeping the saying toward the bottom of the circle. With Garden Green card stock scraps, and the Small Hearts punch, punch out three hearts and hand-cut a scrap for the stem. Use Mini Glue Dots to create a shamrock with the Garden Green pieces.

Step 10

Step 11

Use the Circles #2 with the Big Shot, and the 2-1/4" x 2-1/4" Basic Black card stock piece to make a 2" circle. Glue that to the white shamrock piece made in Step 10. Punch a hole in the center of the shamrock and add a black brad. Then use the 2-3/8" Scallop Circle punch and the 2-3/4" x 2-3/4" Silver Glimmer Paper piece to make a Scallop Circle. Use Stampin' Dimensionals to adhere parts together.

Step 11

Step 12

Use Stampin' Dimensionals to adhere the scallop embellishment onto the front of the pot. Fill with Rolos for that touch of gold treat!

Step 12

Materials:	Stampin' Up! Supplies:	Item #	Price
(5) 5-1/2" x 6" Garden Green Card Stock	Garden Green 8-1/2" x 11" Card Stock	102584	\$6.95
