Note Card Box Instructions

Step 1

Cut a 5- $\frac{3}{4}$ " x 9" piece of Poppy Parade card stock. Place the 9" edge at the top of the Simply Scored Scoring Tool and score at $\frac{1}{2}$ ", 4- $\frac{1}{4}$ ", 4- $\frac{3}{4}$ ", and 8- $\frac{1}{2}$ ". Turn and with the 5- $\frac{3}{4}$ " edge along the top of the Simply Scored score at $\frac{1}{2}$ ".

Step 2

Along the edge scored at $\frac{1}{2}$ " (bottom of the box) cut away one of the corner tabs. Trim up to the score line along the vertical score line. Along one of the top edges use the 2- $\frac{1}{2}$ " Circle punch to trim a portion of one of the panels. This will make it easier to take the cards out of the box. Use the Perfect Polka Dots embossing folder and emboss the front and back of the box.

Step 2

Step 3

Cut two pieces of Basic Black card stock 4- $\frac{1}{4}$ " x 4- $\frac{1}{4}$ " and cut two circles using the Clear Circle Big Shot die. Center one of the circles over the Lattice die and cut. Fold the remaining circle in half and using the Simply Scored tool score 5/8" from the fold. Glue the lattice onto the circle. Following the score lines crease the lattice to conform to the folds.

Step 4

Apply Sticky Strip to the smaller section of the circle and attach it to the inside of the back of the box. Apply Sticky strip along the inside edge of the tab on the front of the box and secure to the back tab. Apply Sticky Strip to the inside edge of the bottom tab and secure to the bottom back tab. Put a piece of flat Velcro to the inside of the Basic Black circle and to the box body to keep the box closed. Your box is now complete except for a little embellishment.

Step 4

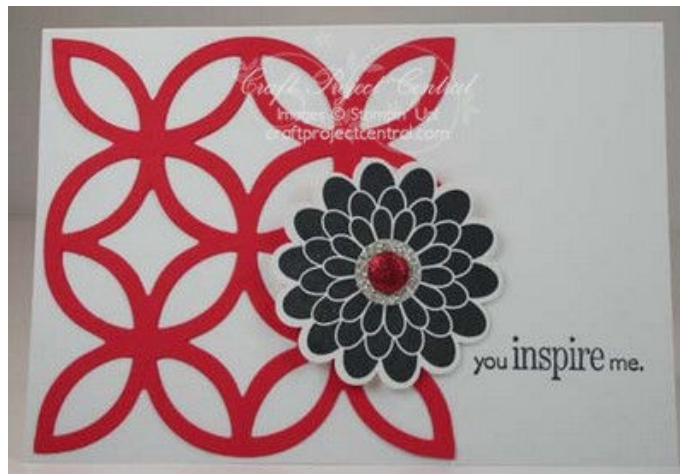

Step 5

On a scrap piece of Whisper White card stock stamp the *flower* from the Button Buddies stamp set using Basic Black ink. Punch the flower out using the 1- $\frac{3}{4}$ " Scallop Circle punch. Punch a $\frac{1}{2}$ " circle out of the Silver Glimmer paper and attach it with a Mini Glue Dot to the center of the flower. Use a Crop-A-Dile and punch out a $\frac{1}{8}$ " circle in the middle of the Silver Glimmer paper and insert a Poppy Parade Glimmer brad. Attach it to the Basic Black flap with a Stampin' Dimensional. Make a bow using the 12" of Basic Black 5/8" satin ribbon and attach it next to the flower with a Mini Glue Dot.
