

Creating Pretty Cards – Sketch Challenge #10

April 2012

Our card challenges are here to be a source of inspiration, helping you create pretty cards easily! You're encouraged to let the creative spark take you wherever it goes: rotate the layout, change up the sizes, use different shapes, or duplicate the sketch exactly.

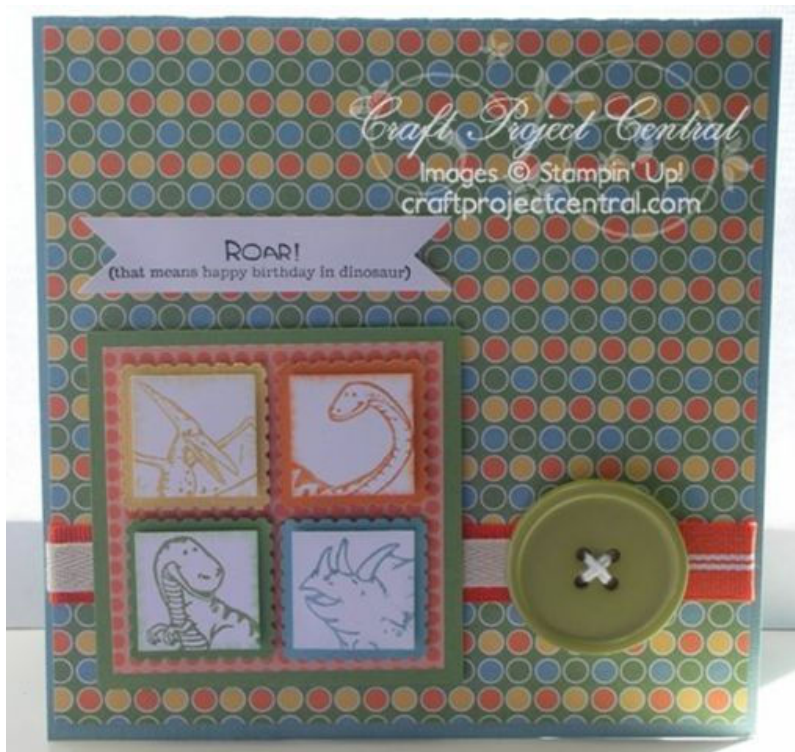

To help you get started we've created this Mini Tutorial with measurement and cutting information as well as a recipe for our inspiration card! This is just a tiny glimpse of what you can expect from the Monthly Craft Project Central Tutorials! We're looking forward to seeing what this sketch inspires you to create!

Creating Pretty Cards – Sketch Challenge #10

Inspiration Card Designed By: Kris Kilkenny

“Just add Cake” and four friends from the *Dinoroar* stamp set and you’ll have a fun card for the birthday boy or girl. This fun card is oversized at 6” x 6” folded. Use your Simply Scored Diagonal Plate to make a custom envelope, or modify the design to suit your style.

Step 1

Start with a 6” x 12” piece of Baja Breeze card stock and fold in half. Next, cut a 5-3/4” x 5-3/4” square of Just Add Cake Designer Series Paper (DSP). Attach a strip of Tangerine Tango 5/8” striped grosgrain ribbon about an inch and half from the bottom using Sticky Strip. Layer a piece of 3/8” Twill Tape over this ribbon and attach with Sticky Strip. Attach to the card front using an Anywhere Glue Stick. Cut a 3” x 3” mat using Wild Wasabi card stock. Attach this piece to card front using Stampin’ Dimensionals. Attach a 2-3/4” x 2-3/4” piece of Just Add Cake DSP on to the mat using an Anywhere Glue Stick. Punch out four scraps using the Postage Stamp punch in the following card stock colors: So Saffron, Peach Parfait, Wild Wasabi and Baja Breeze.

Step 2

Using Stampin’ Write Markers or Classic Stampin’ Pads in the same colors, stamp coordinating dinosaurs on to Whisper White card stock and punch out their faces using the 1” Square punch. Color the edges with Stampin’ Pastels in the same color. Attach the dinosaur faces to the postage stamp squares using Stampin’ Dimensionals and attach the postage stamp to the mat using Stampin’ Dimensionals for added interest. Stamp the sentiment on to a piece of Whisper White card stock using a Jet Black StazOn Ink Pad. Cut out and attach above the dinosaurs using Stampin’ Dimensionals. Add a button threaded with White Baker’s Twine. Attach button with a Mini Glue Dot.
