Creating Pretty Cards – Sketch Challenge #14

Inspiration Card Designed By: Kris Kilkenny

A trio of beautiful butterflies, stamped with *Papillion Potpourri* and punched out with the matching *Elegant Butterfly* punch, adorn this vintage wedding card. Tone down the color of your Designer Series Paper (DSP) by swiping over the pattern with a Stamping Sponge inked with Whisper White Craft ink and let dry. Give the edges a worn look by sanding them with a Designer Sanding Block.

Step 1

Cut a 5-1/2" x 8-1/2" piece of Very Vanilla card stock and fold in half. Round the top right and bottom right corners with a 3/16" Corner punch.

Step 2

Cut a 5-1/4" x 4" piece of Pumpkin Pie colored Polka Dot Parade DSP. Round the top right and bottom right corners with a 3/16" Corner punch. Swipe over the pattern with a Stamping Sponge inked with Whisper White Craft ink and let dry. Sand the edges with a Designer Sanding Block.

Step 3

Wrap a 3" piece of Natural 7/8" Cotton ribbon over the Pumpkin Pie DSP in the lower bottom corner and attach to the ends to the back using Glue Dots. Using a second piece, tie a knot over the front strip. Attach completed layer to the card front using an Anywhere Glue Stick.

Step 4

Punch out three 1-3/4" circles in Very Vanilla card stock. Sand the edges with a Designer Sanding Block. Attach to the card front.

Step 5

Punch out a Modern Label shape from Very Vanilla card stock and attach to the card front. Stamp *Mr. & Mrs.* from the Tiny Tags stamp set on to a scrap piece of Polka Dot Parade DSP in Pumpkin Pie, using Jet Black StazOn ink. Punch out this sentiment using the Word Window punch and ink the edges using a Stamping Sponge and Whisper White Craft ink. Attach the sentiment over the Modern Label punched piece. Attach two of the smallest 2mm Pearl Basic Jewels to the edges of the Modern Label piece.

Step 6

Stamp three butterflies from the Papillion Potpourri stamp set onto Watercolor Paper using Jet Black StazOn ink. Color in the butterflies using an Aqua Painter and Pumpkin Pie Classic ink. Punch out the butterflies with the Elegant Butterfly punch and attach to the 1-3/4" circles using Glue Dots.
