## Creating Pretty Cards – Sketch Challenge #19

Inspiration Card Designed By: Kris Kilkenny

Love is in the air with a dash of hearts from the More Amore Specialty Designer Series Paper (DSP) featured in the Spring Catalog. Pool Party and Primrose Petals set the tone for love. The new Soda Pop Top accent is stamped with Collage Curios and sets upon scalloped flowers made from Creped Filter Paper.

### Step 1

Cut a 5-1/2" x 8-1/2" piece of Primrose Petals card stock and fold in half. Cut a 4" x 5-1/4" piece of Pool Party card stock and attach to the card front with an Anywhere Glue Stick.

### Step 2

Cut a 1" x 3-3/4" piece of More Amore Specialty DSP and scissor tail the edge. Attach this piece to the left side of the card front, about 1/4" away from the left side.

### Step 3

Cut a 2-1/4" x 3-3/4" piece of Naturals White card stock. Roll a brayer over a Primrose Petals Classic Stampin' Pad then ink the inside of the Hearts Adorning Accents embossing folder. Center the hearts over the Naturals White piece and emboss using a Big Shot. Turn this piece over and emboss two lines using the Simply Scored Scoring Tool and stylus, 1/4" from the edges. Cut a 2-1/2" x 4" mat from Primrose Petals card stock and attach the embossed piece to this. Attach to card front.

### Step 4

Layer a piece of Creped Filter Paper with a piece of computer paper and punch three 1-3/4" scallop circles. Discard computer paper. Layer and attach each scallop with a dot of Multipurpose Liquid Glue in the center. Attach to the bottom left edge of the embossed piece, centering above the flagged edge of the heart paper.

## Step 5

Using a scrap of Naturals White card stock, stamp the *script circle* from the Collage Curios stamp set in River Rock ink. Using a Stamp-a-ma-jig, line up the *circle of leaves* from Collage Curios and stamp over the script in Pool Party ink. Using the Stamp-a-ma-jig again, stamp the *butterfly* from Collage Curios in the center using Primrose Petals ink. Punch out with a 1" Circle punch. Attach a 3mm Pearl Basic Jewel to the center of the butterfly. Attach piece to center of a Soda Pop Top using Multipurpose Liquid Glue. Attach Soda Pop Top to the center of the Creped Filter Paper scallops using Multipurpose Liquid Glue.

## Step 6

Ink the *Sending You Love* sentiment from the Easy Events stamp set using a Primrose Petals Stampin' Write Marker. Stamp sentiment onto a piece of Creped Filter Paper and cut out about 1/4" x 2" and flag the end. Attach sentiment to card front using an Anywhere Glue Stick.
