Creating Pretty Cards – Sketch Challenge #22

Inspiration Card Designed By: Kris Kilkenny

This unique diamond fold card features the Perfectly Preserved stamp set and coordinating Cannery Set Framelits Dies. This set carried over into the Spring Catalog! It's paired with the Print Poetry Designer Series Paper Stack and stars two different bees from Collage Curios and Itty Bitties. When the card is folded it measures 4" x 4" and fits in a 4-3/16" square envelope.

Step 1

Cut a 4" x 12" piece of Crumb Cake card stock using the Stampin' Trimmer.

Step 2

Using the Simply Scored Scoring Tool and stylus, score Crumb Cake piece at 2", 4", 8" and 10". Place the Diagonal Plate on top of the Simply Scored. Make sure the arrow on the back of the Diagonal Plate is facing up. Score diagonally from the top down at 2" and 6". Rotate the diagonal plate clockwise and score at 6" and 10". Fold on all of the score lines and your card will start to take shape.

Step 3

Cut two 1-3/4" x 3-3/4" strips of Print Poetry Designer Series Paper (DSP). Cut a 4-1/4" piece of Summer Starfruit 3/8" stitched satin ribbon. Attach the ribbon vertically to one of the DSP strips using Glue Dots. Wrap the ends of the ribbon around the back of the DSP. Attach this strip to the left side of the card base using an Anywhere Glue Stick. Attach the other DSP strip to the right side of the card base.

Step 4

Cut a 2-1/2" x 2-1/2" square of Very Vanilla card stock. Attach this to the center of the card base using an Anywhere Glue Stick.

Step 5

Cut a 4" x 6" piece of Very Vanilla card stock.
