## Creating Pretty Cards – Sketch Challenge #5

Inspiration Card Designed By: Kris Kilkenny

Whisper White and Crumb Cake add an elegant monochromatic touch to this snowy scene. Fill the Treat Cup with a snowy image, Mica Flakes, or anything else you can imagine.

Ink the Northern Flurry embossing folder with a Brayer using Crumb Cake ink on the inside of the folder with the Sizzix logo on the front. Place the 4" x 5-1/4" piece of Whisper White card stock in the embossing folder, run through the Big Shot and emboss. Ink the edges using a Sponge Dauber and Crumb Cake ink.

Punch a hole where you want to place the Treat Cup through your embossed piece using the 1-3/4" Circle punch. Stamp the Sweet Snowglobe stamp in Crumb Cake ink on to a piece of Whisper White card stock. Embellish the snow with Basic Pearls. Stamp the *snowglobe* again and cut out the base of the globe. Stamp the word, *Merry* from the Tiny Tags stamp set on to a piece of Crumb Cake card stock and punch it out with the medium jewelry punch. Place the Treat Cup through the punched out opening and place stamped image behind the cup. Attach to card base. Glue the snowglobe base underneath the Treat Cup. Embellish with Basic Pearl and tinsel. Attach the *Merry* sentiment with a Vintage Trinket pin.
